ALONG WITH THE BEST  
PERFORMERS IN CHILDREN'S  
ENTERTAINMENT

### HEALTHY MUSIC FOR A CHILD'S HEART, BODY & MIND!

**CONNECTING CHILDREN & FAMILIES THROUGH CONTEMPORARY, INTERACTIVE MUSIC:** The Learning Station is a multi award-winning children's recording and performing company. They are recognized for their lively, interactive concerts that celebrate childhood and unite families with popular tunes that invite their entire audience to actively participate; sing, dance, laugh, move and play along. Each themed concert explores the amazing wonders of creative learning through catchy, upbeat tempos, constructive movement and just plain fun! Adored by children, parents and teachers from around the world, their music is also a valued resource for educators who enhance learning by incorporating their songs throughout their entire curriculum. They can frequently be seen at national and regional educational conferences as motivational, music keynote presenters communicating the values of music as a fundamental educational tool that inspires a thirst for learning. Their dynamic, interactive style and ability to connect with their audiences has achieved accolades throughout the world of entertainment and education. Their enthusiasm is contagious, their energy is electrifying and their fun-loving humor will keep the entire audience involved, captivated and engaged. They have been described as, "Magical humans at work!" by Nickelodeon's Joe Piasek.

Their concert performance schedule has given them significant worldwide exposure. Performances include Walt Disney World, Disneyland, World Cup Soccer, US Capitol, Georgia Children's Week, Arnold Palmer's Children's Hospital, Paul Newman's Hole in the Wall Gang Camp, Special Olympics' and national children's festivals -- with over 4,000 performances to date. They have published over 300 children's songs and their 27 audio and video releases are an international sensation. Children and their families alike will embrace this intimate, memorable event that is certain to inspire the child in all of us!
